Welcome to an inviting elevated ground floor apartment with views of the Mediterranean Sea and beautifully lush gardens. This apartment is located in one of the most charming and well-maintained urbanizations in Miraflores/Riviera del Sol, offering a unique combination of comfort and community.

The urbanization features a staffed bar during the summer months, providing the perfect setting for cozy gatherings among residents. Here, you also find exotic pool and garden areas, a modern fitness center, and a padel tennis court, offering plenty of opportunities for active relaxation and social activities.

The apartment boasts a spacious entrance with built-in wardrobes, a large and elegantly furnished living room—furniture and artwork are included in the sale. The living room opens onto a sunny, south-facing 50 m² terrace with glass doors that can be fully retracted in summer, extending the living space in winter so you can enjoy the views year-round.

The newer, spacious kitchen is ideal for cooking and socializing, and the apartment has two lovely bedrooms: one with a recently updated en-suite bathroom with a shower, and the large master bedroom features a luxurious bathroom with a jacuzzi and shower. Most appliances, as well as all faucets and the water heater, have been replaced within the past five years.

The property includes underground parking and a practical storage room. From the parking garage, there is direct elevator access to the apartment. The urbanization is close to Miraflores Golf, making it ideal for golf enthusiasts.
